The prices in the following table are from Reiwa 5 (2023) and may be subject to change. These prices are the same for all grade levels. Please be aware that depending on economic circumstances, prices may change.

Entry fee	40,000 yen. This will be paid once your child has been confirmed to be eligible to join the kindergarten.
Monthly fee	33,800 yen (Three-year-olds, K3, K4, and K5). The above monthly fee also includes school lunch (4,500 yen). The fee for classroom materials is also included. With the daycare fee waiver 25,700 yensubtracted, the total fee will be 8,100 yen per month.
School lunch fee	4,500 yen per month. (Included in the above monthly fee) School lunch is served four times per week. (Wednesday is bento day.) The school lunch fee is collected at the same time as the monthly daycare fee. Milk is also included. Normally, all children eat school lunch . However, for health or other reasons, children may bring their own bentos. If your child has allergies, we will discuss with the catering firm how to accommodate their needs. School lunches for children with allergies will cost an additional 400 yen monthly.
PTA fee	700 yen per month. This fee is not included in the daycare fee. The fee includes snacks for four different seasonal events.
Electricity fee (For heating and air conditioning)	Between December and March, we will collect a fee of 2000 yen. Between May and October, we will collect a fee of 2500 yen. These two fees are paid once per year.
Insurance	We utilize the insurance service from the Japan Sports Council. You will be required to pay 200 yen per child per year.
Total fee per month excluding entry fee, electricity and insurance.	Children without food allergies 33,800 (daycare fee and catering) + 700 (PTA) - 25,700 (daycare fee waiver) = 8800 yen per month. Children with food allergies 33,800 + 400 (catering service extra fee for allergies) + 700 - 25,700 = 9200 yen per month.

	In addition to the above monthly fees, we will collect entry fee one time only when your child joins the kindergarten, insurance fee once every year, and electricity fees two times per year.

Lunch Catering Service

Catering is provided by Mishima Kyuushoku.

Clothes

There will be no uniform for the three-year-old class, nor exercise clothes. Please have your child wear their personal clothes when coming to the kindergarten.

Three-year-old Class Curriculum and Objectives

- To get used to interacting with others.
- To learn basic skills and customs.
- To learn about seasons, nature, and various events.

The above content will be a part of our preparation for our aim to develop the daycare further starting Reiwa 7 (2025). Because not all children will necessarily be spending a whole year at the kindergarten, we will not have an IB Unit of Inquiry, however, we will develop and nurture agency, collaboration, the Learner Profile, and discovery. We hope to plant seeds that will support students as they continue their learning journey from K3 to K5.
